VERMONT

Residents of the state of Vermont, the following provision is included to bring your Certificate into conformity with Vermont state law:

Vermont Mandatory Civil Union

Purpose: Vermont law requires coverage for parties to a civil union equivalent to that provided married persons. If any terms of the Policy would not be equivalent, the terms are hereby amended to comply. As used in this Notice, Civil Union means one established according to Vermont law.

Definitions, Terms, Conditions and Provisions: In Vermont, the word Spouse, as used in the Policy includes a person with whom the Covered Person has received a Certificate of Civil Union under Vermont law. Any terms that refer to a marital relationship such as "marriage," "spouse," "relative," "beneficiary," "survivor," "immediate family," and any other such terms includes the relationship created by a Civil Union.

Terms that refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree," "termination of marriage," and any other such terms include the inception or dissolution of a Civil Union.

Terms that refer to a family relationship arising from a marriage such as "family," "immediate family," "dependent," "children," "relative," "beneficiary." "survivor" and any other such terms include the family relationship created by a Civil Union. A child born or brought to a Civil Union will be a Child under the Policy if he meets all other Policy criteria to qualify under the definition of Child.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE: Vermont law grants parties to a Civil Union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a Civil Union. For example, under federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA," controls the employer /employee relationship with regard to determining eligibility for enrollment in private employer health insurance plans. Because of ERISA, Act 91 of Vermont state law does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a Civil Union if the public employer provides such coverage to the dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a Civil Union and their families may or may not have access to certain benefits under a Policy or Certificate that derive from federal law. You are advised to seek expert advice to determine your rights under the Policy.

This provision applies only where the interpretation of the Policy is governed by the Employee Retirement Income Security Act (ERISA).

STATEMENT OF EMPLOYEE ERISA RIGHTS

The Employee Retirement Income Security Act of 1974 (ERISA) guarantees certain rights and protections to participants of welfare plans. Federal law and regulations require that a "Statement of ERISA Rights" be included in this description of the Plan.

You may examine, without charge, all Plan documents, including any insurance contracts, collective bargaining agreements, annual reports, summary plan descriptions and other documents filed with the Department of Labor. You can examine copies of these documents in the Plan Administrator's office or at other specified locations, or you can ask your supervisor where copies of the documents are available.

If you want a personal copy of Plan documents or related material, you should send a written request to the Plan Administrator. You will be charged only the actual cost of these copies.

You are entitled to receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. These individuals, called "fiduciaries," have an obligation to administer the Plan prudently and to act in the interest of Plan participants and beneficiaries. The named fiduciary for this Plan is the Plan Sponsor. No one, including the Employer or any other person, may fire a Covered Person or otherwise discriminate against a Covered Person in any way to prevent that person from obtaining a benefit or exercising their rights under ERISA.

When you become eligible for payments from the Plan, you should follow the appropriate steps for filing a claim. In case of claim denial, in whole or in part, you must receive a written explanation of the reason for the denial. You have the right to have your claim reviewed and reconsidered.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide you the materials and pay you up to \$110 per day until you receive your materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file a suit in a state or federal court provided you have exhausted the procedures and complied with the timeframes for review of the adverse claim decision provided below. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay costs and legal fees. For example, if you are successful, the court may order the person you sued to pay those costs and fees. If you lose or if the court finds your suit to be frivolous, you may be ordered to pay these costs and fees.

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, contact the nearest Area Office of the Employee Benefits Security Administration, United States Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210.

CLAIMS DENIAL FOR ACCIDENT INSURANCE

Notice of a decision to deny a claim (in whole or in part) shall be furnished to the claimant within 45 days following the receipt of the claim. Up to two extensions of 30 days each will be allowed for processing the claim for matters beyond the Plan's control or if additional information is needed from the claimant. If special circumstances require an extension of time for processing the claim, written notice of the extension shall be furnished to the claimant prior to the expiration of the initial 45 day period.

The notice of extension shall indicate the special circumstances requiring the extension and the date by which the notice of decision with respect to the claim is expected to be furnished. If a claim is denied (in whole or in part) notice shall be provided to the claimant in writing and shall set forth: 1) the reason(s) for the denial; 2) reference to the provision(s) of the Plan on which the denial is based; 3) a description of any additional material or information necessary for the claimant to perfect the claim, if the claim was denied because the claimant failed to provide all necessary information, and an explanation of why such material or information is necessary; and 4) an explanation of the claim review procedure. If written notice of the denial is not furnished to the claimant within 45 days (or if an extension was required, 105 days) from the date the claim was received, the claim shall be deemed denied and the claimant shall then be permitted to proceed with the procedure set forth below.

REVIEW OF DENIED CLAIMS AND COMPLAINT PROCEDURE FOR ACCIDENT INSURANCE

If a covered person or any person claiming through a covered person wishes to have a denied claim reviewed, a written request must be sent to the address identified in the claim denial letter.

Any complaint or dispute related to review of denied claims shall be resolved in accordance with the procedure set forth by the Plan Sponsor and outlined below.

1. The complainant may contact the Insurance Carrier's service representative in an attempt to resolve the complaint in an informal manner.
2. If the complainant is not satisfied with any attempts at informal resolution, the complainant must submit a written request for review of a denied claim or a written notice of the complaint or dispute to the address identified on the claim denial letter within 180 days of receipt of the claim denial notice. The complainant may submit supporting documentation or information to be considered. The complainant must submit any requested additional information or documents.
3. A written notice of the final decision will usually be sent to the complainant within 45 days of receipt of the written request for review of a denied claim or notice of a complaint or dispute. However, if special circumstances require an extension of time to reach a final decision, written notice of the final decision will be sent as soon as possible following the expiration of the initial 45 day period, but no later than 90 days following receipt of the request for review of a denied claim or notice of a complaint or dispute. If special circumstances require such an extension of time, written notice of the extension shall be furnished to the complainant prior to the expiration of the initial 45 day period. The written notice of the final decision will give specific reason(s) for the decision and references to the provision(s) of the Plan on which the decision is based. If the final written decision is not furnished to the complainant within 45 days (or if an extension was required, 90 days) from the date of receipt of the request for review of a denied claim or notice of a complaint or dispute, the request for review or the complaint or dispute shall be deemed to be rejected and denied on review.
